Barbara Denman Featured in January

Barbara Denman is Kailua Village Artists featured artist for the month of January.

Barbara's versatility of expression and the desire to explore various art forms has led this artist through music and dance, painting and into gourd design.

While music, her first love, was studied at New Mexico State University and the University of Texas, her move to Kailua-Kona and a workshop in watercolor launched her into a serious painting career. Before her move, she spent several years designing ladies clothing for her own manufacturing business.

Lilly-Koi Acrylic

Many workshops and continued study have added acrylic and silk paintings to her watercolor repertoire.

Denman also grows, designs, carves and decorates Ipu (gourds) using the 'umeke pawahe' method. This is a very ancient method where the gourd is dyed from the inside out. Her designer gourds have won several judges and peoples awards.

Her paintings, as well as her gourd designs feature organic flora and fauna, as well as the marine life of Hawaii and other original designs.

She invites the public to see her latest work and talk story at the Ali'i Sunset Gallery on January 19th & 24th. She will be at the Keauhou Beach Outrigger Resort on January 31st.

The Kailua Village Artists "Holiday Charity Tree" was on display at the KVA Gallery in the Outrigger Keauhou Beach Resort during the month of December. Shoppers selected their choice from the many ornaments created by the 14 local KVA members and a guest artist. Ornaments were also available at the Ali'i Sunset Plaza location.

The Kailua Village Artists donated the total ornament sales of \$1,848 to the FRIENDS of the Children's Justice Center of West Hawai'i. Reception guests and other gallery customers donated an additional \$125.50 in cash. Mahalo nui loa to all who purchased ornaments and made cash donations.

The FRIENDS of the Children's Justice Center of West Hawaii is a 501(c) (3) non-profit volunteer group organized on behalf of the children of West Hawai'i who have been traumatized by sexual assault, physical abuse or neglect, or who are witnesses to violent crime.

They work with the Children's Justice Center to develop supportive programs and in-kind assistance for children and families who are victimized by abuse.

Over the past 20 years, the FRIENDS have provided service and opportunity to over 10,000 child and teen victims of abuse and neglect in West Hawai'i.
